Drink Responsibly

At La Dragon we want everyone to really enjoy the time they share with us, whether as customers or employees. In order to ensure that we can all have a great time we operate a responsible drinking policy in conjunction with our legal obligations under licensing legislation.

A responsible drinking policy has been put in place to ensure that all of our guests and employees can enjoy the experience they have at La Dragon, the key objectives are to prevent crime and disorder, prevent public nuisance, protecting public health, securing public safety and protecting children from harm. In order for us to meet these objectives we have put in place the following policies and procedures.

La Dragon are 100% committed to providing customers with a safe and secure environment. The responsible service of alcohol to customers is an integral part of this commitment.

La Dragon reserve the right to refuse entry to people who are disorderly or are displaying signs of undue intoxication

The supply of alcohol is not permitted to underage, disorderly or unduly intoxicated customers

Underage, disorderly or unduly intoxicated customers are not permitted to consume alcohol whilst on the property

Whilst, legally, a 16 or 17 year old can be allowed alcohol with a table meal in the restaurant if it is purchased by an adult, as a company we need to ensure that no-one under 16 could be given alcohol in this manner. We therefore ban the sale of alcohol to anyone under the age of 18. This is a further measure to ensure our staff are not in any danger of prosecution by mistakenly allowing the sale of alcohol to under age guests.

La Dragon encourage customers to have a good time, without overindulging in alcohol.

As a company, we take our responsibilities towards the law relating to the sale of alcohol very seriously indeed. We have intensively trained our staff and managers to ensure they are not at risk from prosecution for failing to adhere strictly to procedures in this regard. We operate a 'Challenge 25' policy to prevent alcohol being sold to anyone the law prohibits. Once ID is requested alcohol cannot be served unless valid proof of age documentation can be provided.
